LIVE UNITED! It's more than just a catchy phrase - it's an invitation to become part of a collective effort to advance our community. At Hawai'i Island United Way, we know we thrive when we join forces. That's why we work with over 100 partners in our community to coordinate and collaborate on initiatives that lift everyone up to improve the quality of life for those around us and those who are most in need. By strengthening our community, we can foster a sense of togetherness and belonging for all who call this magnificent island their home.

As our country faces economic challenges with Hawai'i being no exception, our community has unique challenges that need to be solved. It's become increasingly clear that many of our neighbors are struggling to make ends meet. Thankfully, local programs are stepping up to help those in need. We've seen the positive impact donations to Hawai'i Island United Way can have on our community. From helping families affected by natural disasters to providing critical resources such as food and shelter to those in need, every contribution counts towards building a stronger, healthier, and sustainable community for all.

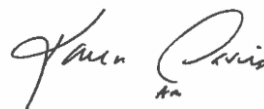

Last year, we raised an outstanding \$723,241 in contributions. Whether you can give a small or large donation, every gift counts towards our shared goal of creating a community that can support its citizens. By donating to Hawai'i Island United Way, you are making a positive impact not just for one or two charities but for all organizations that benefit from our funding. Together, we continue to make a large footprint in our community, helping those who need it the most. Thank you for your continued support.

Please consider donating to Hawai'i Island United Way today and join us in living united!

With aloha for our community and sincere gratitude for your generosity,

Breeani Kobayashi
Chair
